RE: 77-2064

Dear Ms. Wilson:

On April 4, 1988, the Jungert Corporation submitted a Notice of Claim in the Snake River Adjudication. We sent our preliminary recommendation to them and it was returned. We searched the Idaho County tax lot information and it appears that you may now own the property. If you do own the property, and the water is still being used, and you want your name in the final recommendation, then you need to file a change in water right ownership form and mail it to this office. Be sure to include a copy of the warranty deed or other document as described in item 2. B.

Would you please complete the Notice of Error Reply and return it to our office as soon as possible?

Sincerely.
