RE: 77-2076

On June 16, 1988, you submitted a Notice of Claim in the Snake River Adjudication. It lists industrial use in Section 15 Township 24N Range 8E. We would like to confirm your use of 0.76 cfs (340 gpm) for milling. We would also like to know what type of equipment you use and how you use it. This will enable us to make a better evaluation of your water rights.

Thank you for your help.

Sincerely,
