RE: Subcase No. 75-14180 (Sunset Heights Water District)

Dear Special Master Dolan:

The Idaho Department of Water Resources is in receipt of the Court's September 30, 2011, *Order Granting Motion To Amend Claim 75-14180, Setting Deadlines and Setting Status Conference*, wherein a deadline of October 31, 2011, is set for the filing of an ADR in the above-referenced subcases.

Unfortunately, the Department will not be able to make the October 31, 2011 deadline. The Department is currently awaiting an instrument recording number from the parties for insertion into the above-mentioned ADR. As soon as the instrument number is received by the Department, the ADR will be updated and promptly filed with the court.

Thank you for your consideration in this matter. Should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Garrick L. Baxter", with a long horizontal line extending to the right.

GARRICK L. BAXTER

Idaho Department of Water Resources
