RE: *Served Pleadings on Remaining Issues Involving Subcase No. 1-6 in the Snake River Basin Adjudication.*

Dear Clerk:

As you know, I represent Mud Lake Water Users Inc., Producers Irrigation Company, Montevue Canal Company, Jefferson Irrigation District, and Independent Water Users of Mud Lake. We recently withdrew our objection to Subcase No. 1-6. The objection was based on the high flows arguments that we previously made which have now been decided. We understand there are remaining issues involving 1-6, and we have recently received pleadings from various parties regarding this subcase. Because we no longer have a pending objection for 1-6, we request that you remove our name from your certificates of service. We trust that doing so will save time and expense for all parties, and we appreciate your attention to this matter.

If you have any questions or concerns, please let me know.

Best Regards,

Robert L. Harris
