Dear Claimant(s):

Enclosed are computer generated copies of the above referenced claims reflecting the change of ownership from Golden Reef Venture to Dewey Mining Co.

Claim Nos. A77-02084 and A77-02085 were the claim numbers listed on your change of ownership. These claims have been changed to your name and copies are enclosed for your records. However, Claim No. A77-04055 was also listed in our records in the name of Golden Reef Venture for the same area. Therefore, Claim No. A77-04055 was also included in the change of ownership and a copy is enclosed for your records.

The Dewey Mining Co. has a claim previously filed under Claim No. A77-07087 of which a copy is enclosed. The Golden Reef Venture had also previously filed on this same right. Due to the court documents submitted it appears ownership of this right is the Dewey Mining Co. and this has been documented in our files for this claim.

A claim was also filed by Golden Reef Venture for Permit No. 77-07117 on October 30, 1988. Then on August 27, 1990, the Department voided the permit due to failure of the permit holder to complete construction of works and put the water to beneficial use. Therefore, since the right upon which the claim was based has been voided, this claim will be disallowed when the claims for this area are recommended to the court for decree. Enclosed is a copy of this claim for your review.

If you have any questions concerning this letter or the claims enclosed, please feel free to contact this office.

Sincerely,

Jan Shurte

MEMORANDUM

June 23, 1993

To: Files for Claim Nos. A77-02084, 02085, 04055, 07087 & 07117

From: Jan Shurte

Subject: Duplicate claim filings, refunds, ownership change & status

This memo to the above files is to document the events that have occurred and how they were handled at this time.

Claim No. A77-02084 - Two claims were originally filed for this right by Golden Reef Joint Venture. Two separate individuals filed two separate claims for the same rights and the same companies. One claim was withdrawn and the fees refunded under Receipt No. C003812. The other claim remained valid under Receipt No. C003688. Then, on January 22, 1992, another claim was filed by the Dewey Mining Co. for this same right under Receipt No. W014045. A duplicate claim letter was sent to the Dewey Mining Co. and the claim returned. This prompted the Change of Ownership form submitted in June, 1993. It appears a court action revoked the Golden Reef Joint Venture's lease on Dewey Mining Company's mining claims and all reverted back to the Dewey Mining Company. Therefore, this claim is now only in the name of the Dewey Mining Company.

Claim No. A77-02085 - Two claims were also originally filed by Golden Reef Joint Venture for this right. One was withdrawn and the fees refunded under Receipt No. C003811. The other claim remained valid under Receipt No. C003687. This claim has now been changed to show the Dewey Mining Company as claimants pursuant to the Change of Ownership and court documents submitted supporting their ownership.

Claim No. A77-04055 - Two claims were also originally filed by Golden Reef Joint Venture for this right. One was withdrawn and the fees refunded under Receipt No. W001349. The other claim remained valid under Receipt No. C003727. This claim has now been changed to show the Dewey Mining Company as claimants pursuant to the court documents submitted with the Change of Ownership form for A77-02084 & A77-02085.

Claim No. A77-07087 - Two claims were also originally filed by Golden Reef Joint Venture for this right. One was withdrawn and the fees refunded under Receipt No. W001353. The other claim remained valid under Receipt No. C003689. Then, on January 22, 1992, another claim for this right was filed by the Dewey Mining Company under Receipt No. W014044. Because of an error on the database, the claim for Golden Reef Joint Venture was not updated, therefore, the claim for the Dewey Mining Company was accepted and updated as a completed claim. When the duplicate claim letter was sent for A77-02084 and the change of ownership returned, the duplicate filing on this claim was then discovered. Since the court documents submitted show that the Dewey Mining Company is the owner of this right and Golden Reef

Joint Venture's claim for this same right should also show the Dewey Mining Company as the current owner, we are combining the two filings into the one claim file. The filing by Dewey Mining Co. shows some changes, therefore, it is being treated as an amended claim to the one originally filed by Golden Reef Joint Venture. This claim now reflects the Dewey Mining Company's filing and name as claimants.

Claim No. A77-07117 - Two claims were also originally filed by Golden Reef Joint Venture for this right. One was withdrawn and the fees refunded under Receipt No. W001350. The other claim remained valid under Receipt No. C003690. However, on August 27, 1990, the permit upon which this claim filing was based was voided due to lack of completion of works and application of the water to beneficial use. Therefore, this claim will be recommended for disallowal in the report for Basin 77 due to the voiding of the permit. The name on this claim has been changed to the Dewey Mining Company in order to avoid complications on any research queries and based on the court documents submitted with the change of ownership form. In our letter acknowledging the change of ownerships on the other claims, we informed the Dewey Mining Company of the status of the voided permit and our future disallowal of this claim in case another filing is now needed.
