RE: 77-4220

On March 6, 1989, Flying Eagle Resorts submitted a Notice of Claim in the Snake River Adjudication. We sent a copy of the preliminary recommendation and it was returned. We searched the Idaho County tax lot information and it appears that you may now own the property. If you do own the property, and the water is still being used, and you want your name in the final recommendation, then you need to file a change in water right ownership form and mail it to this office. Be sure to include a copy of the warranty deed or other document as described in item 2. B.

Sincerely,

"Premises"); or in the alternative to quiet title to the Premises in the Plaintiff with respect to any and all claims of the Defendants.

B. Defendants, Jim P. Campbell and JPC, Inc., and Flying Eagle Resorts filed a Stipulation and Order (hereinafter the "FER Stipulation") stipulating to the entry of judgment quieting title to the Premises in the Plaintiff, among other matters.

C. Defendant, Salmon River Resort Club, Inc., a forfeited Idaho corporation, acknowledged service through its statutory trustees, George Taylor and Ron Atkins, who filed on its behalf a disclaimer of any interest in the Premises, a consent to an entry above a default judgment and declined to plead further.

D. Defendant, Wilderness, Inc., acknowledged service through its registered agent, disclaimed any interest in the Premises, consented to the entry of default, and declined to plead further.

E. The Plaintiff's verified Amended Complaint asserted that Dorothy Snowball claimed a junior interest in a portion of the property as a judgment creditor. Defendant, Dorothy Snowball, filed an Acknowledgment of Service, has not otherwise appeared, but executed an assignment of the Snowball Judgment to Defendant Wilderness, Inc., who subsequently assigned the Judgment to the Plaintiff, who has agreed under the FER Stipulation to enter a satisfaction of the Snowball Judgment.

F. The Amended Complaint has been dismissed with prejudice against Defendant, Mark Moreno, and a Disclaimer of Interest, wherein Mark Moreno disclaims any right, title or interest in the

Premises has been filed with the Court.

NOW, THEREFORE, IT IS HEREBY ADJUDGED AND DECREED consistent with the PER Stipulation and the various referenced Disclaimer of Interests filed with the Court and the status of the pleadings hereto that:

1. Title in that certain property in Idaho County, Idaho, more particularly described on Exhibit "A" hereto, is quieted in the Plaintiff with respect to any claim, estate or interest of:

- a. Wilderness, Inc., an Idaho corporation;
- b. Flying Eagle Resorts, an Idaho general partnership comprised of JPC, Inc, an Idaho corporation and Flying Eagles II, Inc., a revoked Nevada corporation;
- c. JPC, Inc., an Idaho corporation;
- d. Mark Moreno;
- e. Jim P. Campbell;
- f. Salmon River Resort Club, Inc., a forfeited Idaho corporation;
- g. Dorothy A. Snowball; and

that said named Defendants, and all persons claiming or to claim from and under them, and all other persons claiming any interest in the Premises subsequent to the recording of the Plaintiffs' Lis Pendens, hereby are forever barred from all right, title, claim and interest in and to the Premises and in and to every part or parcel thereof, including any inchoate right of redemption as they may have had hereunder.

2. No monetary judgment shall be entered in favor of the Plaintiff against the Defendants. All claims that were or might have been brought herein are dismissed with prejudice: subject to this Judgment.

3. The parties hereto appearing or otherwise shall bear their own costs and attorney fees incurred in connection herewith.

Re: Field Examination and Evidence of Priority Date

Dear Claimant:

The Notice of Claim to a Water Right (claim) identified with the number shown above your name has been filed in the Snake River Basin Adjudication (SRBA). The claim indicates your water usage is based on "Beneficial Use" or a "Statutory Claim." Water rights of this type are established by the historic use of water, dating back to when water was first used for the purpose claimed, and are termed beneficial use rights.

The elements of beneficial use rights need to be verified by an examiner for the Idaho Department of Water Resources (IDWR) before the claim can be recommended to the SRBA Court. The examination of claims in your area will take place during the summer of 2005. An examiner will be contacting you to schedule a time to visit your property to verify your use of the water right claimed.

Also, even though most of the elements of your claim can be verified by the field exam, the date of first use, or priority date can only be verified by documentation of the historic use. If you have not supplied documentation for the priority date and historical beneficial use of the water, please submit your evidence by August 31, 2005. Enclosed you will find a pamphlet entitled "Evidence of Priority." The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

PLEASE NOTE: IDWR will recommend the SRBA Court decree the claim disallowed if the priority date and the historic use cannot be documented. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement should be in the form of a notarized affidavit.

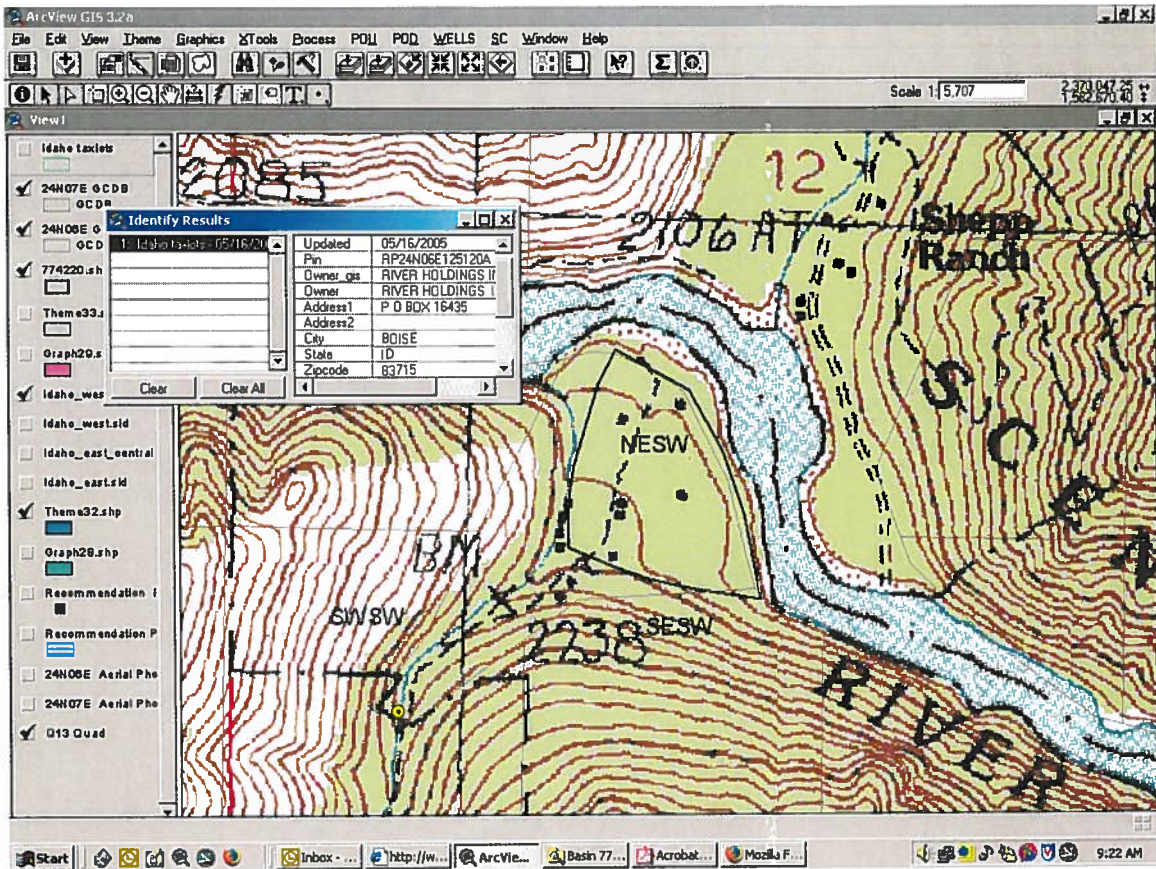

If you have questions not covered by this letter or the enclosed pamphlet, please contact this office. Our toll free number is 1-800-451-4129.

Carter Fritschle
