IDAHO DEPARTMENT OF WATER RESOURCES
RECOMMENDED WATER RIGHTS ACQUIRED UNDER STATE LAW

pursuant to Section 43-323, Idaho Code.

Right Nos. 21-125A and 21-126A are limited to the irrigation of a combined total of 280 acres in a single irrigation season.

OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.

The name of the United States of America acting through the Bureau of Reclamation appears in the Name and Address sections of this partial decree. However, as a matter of Idaho Constitutional and Statutory Law, title to the use of the water is held by the consumers or users of the water. The irrigation organizations act on behalf of the consumers or users to administer the use of the water for the landowners in the quantities and/or percentages specified in the contracts between the Bureau of Reclamation and the irrigation organizations for the benefit of the landowners entitled to receive distribution of this water from the respective irrigation organizations. The interest of the consumers or users of the water is appurtenant to the lands within the boundaries of or served by such irrigation organizations, and that interest is derived from law and is not based exclusively on the contracts between the Bureau of Reclamation and the irrigation organizations.

Prior to each irrigation season the right holder shall provide the watermaster of State Water District No. 01, Snake River, with a water right distribution summary designating the amount of this water right to be diverted from each point of rediversion.

EXPLANATORY MATERIAL: BASIS OF CLAIM - Decreed

Right includes accomplished change in point of diversion pursuant to Section 42-1425, Idaho Code.

Water is delivered through Dewey Canal, Last Chance Canal, Farmers Friend Canal, Twin Groves Canal, St. Anthony Union Canal, St. Anthony Union Feeder Canal, Salem Union Canal, Egin Canal, Independent Canal, and Consolidated Farmers Canal.
