Partial Decrees were entered for the above-captioned water rights on February 25, 2005. On November 22, 2011, the United States of America ("Claimant"), acting through the Army Corps of Engineers by and through counsel Chloe E. Pullman, filed a *Motion to File Late Notice of Claim* for each of the above-captioned water rights.¹ As it appears the water rights identified in the *Motions to File Late Notices of Claim* have already been partially decreed, the Court will set this matter for status conference to determine the intent of the Claimant.

Therefore, IT IS ORDERED, that a status conference in the above-captioned subcases is set for **Tuesday, February 21, 2012, at 1:30 p.m. (Mountain Time), at the Snake River Basin Adjudication District Court, 253 3rd Avenue North, Twin Falls, Idaho.** It is not mandatory for you to appear in person at this hearing. Parties may participate by telephone by dialing the number **1-215-446-0193** and when prompted entering code **406128, followed by the # sign.** Should you experience difficulty connecting to the conference call or experience a disconnect during the proceedings, please hang up and call the court clerk at 208-736-3011, for further instructions.

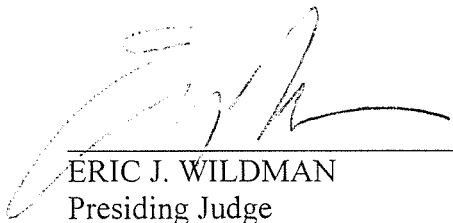

NOTE: It is customary for multiple hearings to be scheduled for this time slot. You will need to call in promptly at 1:30 p.m. (Mountain Time). Momentarily, the court clerk will come on the line and provide further instruction. In an effort to proceed as quickly as possible and minimize any confusion, please wait to identify yourself until Judge Wildman calls your water

¹ The Court notes that the Claimant filed the *Motions* without identifying a water right and/or subcase number on the face of the *Motions*. However, the Claimant did attach a document to each *Motion* that identified the applicable water right number. The Court has interlineated these numbers onto the face of the respective *Motions* as well as the accompanying *Notices of Claim to a Water Right*.

right numbers. At that time, he will inquire as to who is participating in that particular hearing. Once your hearing is completed, you are free to hang up your phone.

The courtroom is equipped with a very sensitive sound system and can pick up any whispering, paper shuffling and background noise. As you are waiting for your hearing, we request you remain as quiet as possible in order for the court reporter to accurately record the proceedings. When at all possible, please avoid calling in using a cell phone and the use of the "speaker" feature on your handset phone is prohibited, as these two uses can result in interference with the sound system.
