RE: Subcase No. 75-22 (Arrowhead Water District)

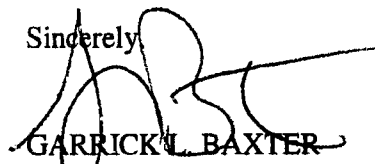

Dear Special Master Dolan:

The Idaho Department of Water Resources is in receipt of the Court's November 4, 2011, *Order Granting Motion To Amend Claim and Setting Deadlines*, wherein a deadline of November 30, 2011, is set for the filing of an ADR in the above-referenced subcases.

The Department will not be able to meet the deadline to file the ADR as it is currently awaiting a settlement recording instrument number from the parties for insertion into ADR. As soon as the instrument number is received by the Department the ADR will be updated and promptly filed with the court.

Thank you for your consideration in this matter. Should you have any questions, please do not hesitate to contact me.

Sincerely,

GARRICK L. BAXTER
Deputy Attorney General
Idaho Department of Water Resources
