

I, Marion Kevide Haug spent several summers on Clever's Cove Lake, as the home of my aunt & uncle John & Edna Ruebke. Their home was located in Carlin Bay, which is very near Mailer Bay, where our current home is situated. The time I resided there as a child was between 1946 and 1957.

During that time period I had occasion to see the original cabin which currently forms the base for our current home on Mailer Bay.

We purchased the cabin in approx. 1980 and have remodeled and added to the cabin.
