Dear Mr. Simanton:

Enclosed is your receipt for filing a Notice of Claim. We are returning your claim form because it is incomplete for the following reasons:

Item 2 the Date of Priority needs to be filled out. This is the date that water was first used by you or the former owners.

Items 4 & 9 the legal description needs to be listed. Based on your parcel number it appears that the Township should be 48N, the Range should be 4W, the section should be 15 and the Gov't lot should be 1.

Item 6 the diversion rate needs to be listed. Most individuals list 0.04 cfs for domestic use.

Would you please complete these items and return the claim to our office?

We are not sure why you sent a copy of a Claim to a Water Right filed by Earl & Barbara Dunn.

Sincerely,

Kenneth Knoblock
Water Resources Supervisor
