I was born & lived in Black Cloud most all my life. The spring in the rear of Dwayne Butterfield's property has been there as long as I can remember. I am now (70) seventy year old.

The property address is: 119 Black Cloud St.

Per the previous owner (John Lightner), of 119 Black Cloud St. The cistern in use now was built in 1983 or '84 by Panhandle Pipe and Welding because the old brick one was plugged up. (Dane Jenicek). This cistern was in use in the 1940's.
