U.S. Department of Water Resources

Northern Region

7600 North Mineral Drive

Ste. 100

Coeur d'Alene, Id. 83815

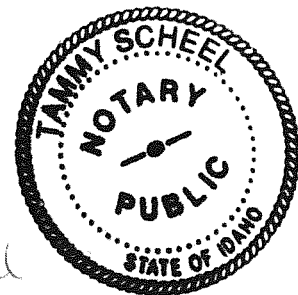

Gentlemen,

My name is George Sellers and I worked for Citizen Utility's company from 1949 to 1991. Citizen Utility supplied electricity and water to customers in Wallace, Mullan and Burke Idaho, From 1936 to 1993. I can attest to the fact that when I began employment with citizen utility Company in 1949 the company was already utilizing water from a diversion dam in sawmill creek, In burke Idaho. The diversion dam is located on United States Department of Agriculture- Forest Service Land. The dam is operated under a special-use permit which covers .2 acres and / Or 200' x 10' + 65 feet x 80 feet and is described as SW ¼ NW ¼, Section 11, T.48N, R. 5E.

Sincerely,

George Sellers
