Re: Snake River Basin Adjudication SRBA
Claim #A43-00054 - Cassia County

Dear Mr. Anderson:

We are returning your Notice of Claim to a Water Right filed for your property in Cassia County. We are also enclosing Receipt #C007619 in the amount of \$310.00, for the filing fees. We have noted some problems with your claim which we would like you to correct.

Item #4 of the claim form requires a description of the Point(s) of Diversion to the nearest 40 acre parcel or preferably to the nearest 10 acre parcel. Two ways that you can get the legal for your property is to describe it yourself, or by submitting a detailed map with the claim.

In the first instance, you should plot the point of diversion on a U.S.G.S. or other land survey map noting the Township, Range and Section. Next, divide the section into four smaller squares or 160 acre parcels, divide the 160 acre parcel in which the Point of Diversion lies into four smaller squares or 40 acre parcels, and then divide the 40 acre parcel in which the Point of Diversion lies into four squares or 10 acre parcels. Starting with the smallest parcel in which the Point of Diversion lies, describe the location. In other words, the NE, NW, SW, or SE $\frac{1}{4}$ (10 acres) of the NE, NW, SW or SE $\frac{1}{4}$ (40 acres) of the NE, NW, SW or SE $\frac{1}{4}$ (160 acres) of Section, Township and Range. As an alternative, you might mark the location of your home on the enclosed street map from which we can define the necessary legal description.
