SUBJECT Amended Claim

Mr. Badley initially changed his address; we then used an aerial photo to more precisely identify the $\frac{1}{4}$ $\frac{1}{4}$ s.

He then asked about the springs on his property. He was questioned about if it was the same system. His answer was unclear. He was encouraged to file a separate claim since the springs did not appear to be the same system, however when told a late fee would apply he chose to add them to this claim.
