Dear Carl,

As you know, I grew up in the house you now own. I believe it now has an address of 276 S. Beaver Lake Road.

We moved into the house in 1957, when I was four years old. I am not certain of the exact year the well was put in, but I believe it was around 1962.

I trust this information will be of help to you in establishing the approximate year the well was established.

Sincerely,

A handwritten signature in black ink, appearing to read "Randy K Bates", with a stylized flourish at the end.
