Re: 95-9435

Dear Duane and Ellen:

We are returning your claim for water use on the property next to the Clark Fork River. It is not in the Coeur d'Alene - Spokane River drainage. The Pend Oreille Drainage will be done in 5-6 years.

The right, 95-9435, to irrigate 46.6 acres is not a domestic use. The filing fee for irrigation claims is a flat fee of \$50 plus a variable fee of \$1 per acre for a total of \$97. You paid \$25 for this claim and the \$25 you submitted for the property near Clark Fork leaves a balance of \$47. The wrong form was used to file the claim. We have enclosed is a computer generated claim. Please sign the claim and return it to our office along with the \$47 balance due.

We apologize for not catching this when you were in the office.

Thank you,

Kenneth Knoblock
Water Right Supervisor
