Dear Mr. Shiell:

On January 29, 1997, James Striker submitted a Notice of Claim in the Snake River Adjudication (copy enclosed for your reference). We have received information that you may now own the lease from the forest service to work near the Rescue Mine. If you do own the lease, and the water is still being used, and you want your name in the final recommendation, then you need to file a change in water right ownership form and mail it to this office. Be sure to include a copy of the sales agreement, contract or other document as described in item 2. B.

Sincerely.
