

To whom it may concern;

For the property of Cindy Chevalier:

The spring + cistern water system
at Marilyn's Place (27143 S. Ator Hill Rd)
was in use as the Domestic water
Supply ~~it~~ since prior to the 1970's.

I lived there in the mid 1980's
and it was the only water source at
that time.

Having lived in the area since
1961, I am quite sure it was used
prior to that

Sincerely,

Jeff Blomberg
