Dear Sirs:

Attached are our Notices of Claim to a Water Right for our properties located at Rose Lake, Idaho. I have enclosed two checks for \$25. for each claim.

Regarding our claim for parcel #0-6880-000-37A: we do have a pump for lake water and we also have a meter through the Rose Lake Water Association. Our certification of membership number is #179. It is my understanding that the Association will file on behalf of the members of the Rose Lake Water Association. Our claim is for the rights to the water in the lake.

Regarding our claim for parcel #06880000041A: water has been used at that site since 1913.

Please contact me if there is any further information you need: 703-222-2786

Thank you very much for all of the help and patience I have received from you.

Sincerely,

Katie O'Reilly
