NOTICE		16 AIRPORT \$		
Separate permits are required for electrical, plumbing, heating, ventilating, or air conditioning.		17 HEALTH DEPT.		
This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for period of 180 days at any time after work is commenced. Routinely scheduled inspections are proof of continued activity on the permit. If requested in writing, the Building Official may grant one 6-month extension.		18 FIRE DEPT.		
I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work must be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any state or local law regulating construction or the performance of construction.		19 FLOOD ZONE		
By issuing any permit or certificate, or by conducting any compliance inspection, Kootenai County makes no warranty, implied or otherwise, that any inspected building is constructed wholly in compliance with adopted codes or that it is safe or fit for any particular purpose. Kootenai County expressly disclaims any liability for construction defects in buildings it is called upon to inspect in the course of carrying out its governmental duties. Owners desiring protection from construction defects should hire their own inspectors who can be present while construction is in progress.		20 STORMWATER (24) 30.00
