To Whom It May Concern:

Property located:

Lots 1 and 2 and the SE1/4NE1/4 of Section 10 and Lot 4 of Section 11, all in Township 48 North, Range 1 West of the Boise Meridian in Kootenai County, Idaho

Said property was purchased May 24, 1969 from Jay V. Duerden and Leone Duerden by Arthur J. Christmann and Caroline A. Christmann.

Claim of Water right.

At the time of purchase there were 4 existing springs on the property, one of which was developed in May of 1972 as the primary water source for domestic, irrigation, and livestock use.

The other 3 were primarily used for livestock use, with the drainage ditch developed in 1976 to help drain the field and to water livestock.

A well was drilled in 7/9/2000 to be used as the primary water source for domestic, irrigation, and livestock use, giving the property a better water supply.

Sincerely,

Caroline A. Christmann
