We are returning your Notice of Claim and your \$100 check. Use of water from a groundwater and surface water requires two claims. One claim for the well, and one for the springs and pond. We have enclosed claim form for your use. We suggest that you use the blank form for the well and delete the groundwater from the completed claim.

The filing fee is \$25 per claim for a total of \$50. Please submit the claims with the filing fee.

Thank you,

Kenneth Knoblock
