Re: Water Rights Notice of Claim 49576
For Patrick C. Stacker

Dear Claim Processor,

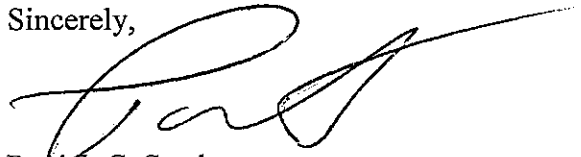

Enclosed herewith is our Notice of Claim completed in the manner as requested.

Could you please file stamp the extra copy of page 1 included and return it to us in the envelope provided? Thank you.

The property has had a perfected water right since at least 1944 and I have attached the evidence of that. In addition commencing about 3 years water is being moved from Hayden Lake to a storage tank for two houses and some more of Colburn Creek is being used to provide water for 12 acres of new seedlings that have recently been planted thereon as a result of a crop harvest about 2 years ago, so we have increased our claim to accommodate for that usage.

As we've never done this before, if there are any questions or if there is anything we need to do to further assist you in processing this, please feel free to call me at (562) 436-7963 or my home at (562) 924-8187. Thank you for your help in advance.

Sincerely,

Patrick C. Stacker
