ATT: Mr. Marshall A. Neill

Dear Mr. Neill:

In reply to your letter of December 19, 1950, in regard to the purchase of a half interest in Permit No. 19488 of J. Tremaine Smith:

Our records show that a License was issued under this Permit to Mr. Smith for 0.1 of a second foot (or five inches) of water from Colburn Creek, with priority of April 5, 1944, for domestic and garden irrigation of Lots 3 and 5, Section 22, Township 51 North, Range 3 West, B.M.

As the License is evidence of a completed water right, it will not be necessary to make any record in this Department of a transfer of a part interest in this right, as this can be taken care of in the deed conveying the land and the water appurtenant thereto.

Very truly yours,

MARK R. KULP
State Reclamation Engineer
