Dear Property Owner,

This is the new locatable street address for your property described at the top of this page. Please retain this notice for future reference. **The new address will replace all previously issued addresses.** (This change will not affect P.O. Boxes for mail delivery.)

You must post the new address numbers on your mailbox, home, and/or business so that they are clearly visible. If a structure is more than 75 feet from the road or is not visible from the road, the address must also be posted at the end of your driveway on a 4 to 6 foot stake/post. Reflecting numbers are recommended. These measures will greatly assist emergency services in locating your property.

In order to make sure we have correctly identified your property, we ask that you review the information above for possible errors.

If either of the following questions apply, please call (208) 446-1070 between 8:00 a.m. and 5:00 p.m., M-F.

- Is there an error with the phone number?
- Is the current resident at this location different from the one listed above?

Sincerely,

Betsy Anderson
