Re: 94-8870

We are returning your Notice of Claim. It appears that the uses listed in item #6 can be combined into a domestic use. Domestic is household use and ½ of lawn and garden irrigation. Most claimants list the amount of water used as 0.04 cfs for domestic purposes. There is a filing fee associated with filing a claim. For domestic the fee is \$25. We would appreciate you reviewing your use of water, make any corrections and returning the claim with the filing fee.

Thank you,

Kenneth Knoblock
Water Right Supervisor
