COMES NOW, A&B Irrigation District ("A&B"), by and through counsel of record,
Barker Rosholt & Simpson LLP, and moves this Court for an Order vacating the trial dates and
scheduling a Standard Form 5 deadline. A proposed order is attached hereto for the Court's
consideration.

SUPPOTING REASONS

At the August 25, 2011 status and scheduling conference the Court set a trial date for the
above-referenced subcases for January 5-6, 2012. Since that time the parties have worked to

resolve the outstanding objections and reach resolution on all remaining issues. As of the filing of this motion, A&B, IDWR, Mud Lake Water Users et al. (represented by Rob Harris), the Ground Water Districts (represented by Candice McHugh), Fremont-Madison Irrigation District et al. (represented by Jerry Rigby), and the U.S. Bureau of Reclamation (Reclamation) have reached an agreement on a proposed water right description for A&B's water right 1-14. A&B, IDWR, and Reclamation have also agreed upon proposed water right descriptions for A&B's water rights 1-10225, 1-10237, 1-10238, 1-10239, 1-10240, and 1-2041, and Reclamation's water right 1-2060.

A&B has contacted the U.S. Bureau of Land Management and Reclamation as to the "federal land" objections and is awaiting confirmation about their revisions to the original digital boundary. A&B has also contacted the Attorney General's office and is awaiting confirmation from the State of Idaho as to the proposed water right descriptions. Once the digital boundary is corrected and confirmed, and the State of Idaho approves the water right descriptions, the parties will be able to execute Standard Form 5s and file them with the Court.

Due to the holiday schedule and timing of executing the necessary documents, the parties will likely be unable to file the SF5s prior to the currently scheduled trial date. Accordingly, A&B requests the Court to vacate the trial date and set an SF5 deadline of January 27, 2012 (3 weeks from the trial date) to provide extra time to obtain all of the necessary signatures.

DATED this 28th day of December, 2011.
