RE: SRBA Subcase Nos. 27-10028 & 27-12013

Dear Mr. & Mrs. Gardner:

I am enclosing a Standard Form 5 ("SF5") for each of the above-referenced water rights. The SF5 is the document required by the SRBA Court to resolve water right disagreements. Please review the documents, and if they are acceptable, please sign on the indicated signature lines and initial each page of the recommendations. After signature, please return the original SF5s to me in the self-addressed stamped envelope that I have enclosed for your convenience. I will obtain the remaining signatures and file them with the SRBA Court.

If you should have any questions or comments, please feel free to contact Michael Holliday at (208) 525-7161.

Sincerely,

A handwritten signature in cursive script that reads "Ray Williams".

Ray Williams
Paralegal

	)	STIPULATED ELEMENTS OF A
	)	WATER RIGHT

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be described as per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.
