*RE: Subcase No. 01-10488 (North Side Canal Company)*

Dear Special Master Dolan:

A *Special Master Report* ("Report") was issued for the above-referenced subcase on October 19, 2010. The Report concluded that North Side Canal Company ("NSCC") was entitled to a Partial Decree for this water right, provided the digital boundary for NSCC is resolved. Recently, SF5s were filed for NSCC's other rights (01-5 et al). The digital boundary description includes 01-10488. Thus, the digital boundary is no longer at issue and this water right is now ready to move forward to partial decree.

If you should have any questions or comments, please feel free to contact me at 287-4815.

Sincerely,

A handwritten signature in cursive script that reads "Ray Williams".
