	)	NOTICE OF COURT'S INTENT TO ISSUE
	)	AN AMENDED PARTIAL DECREES

On November 5, 2007, this Court issued *Partial Decrees* for Water Rights 74-1152 and 74-2038. On January 6, 2012, the Idaho Department of Water Resources notified the court of an error in the description of the Source element. The Source was listed as "Springs," but the Tributary description was omitted. The Tributary description for 74-1152 should be Lemhi River and the Tributary description for 74-2038 should be Unnamed Stream.

Therefore, it is the intent of the Court to issue *Amended Partial Decrees* for these water rights consistent with the attached draft *Amended Partial Decrees*. If any party shall have an objection to the intended change, they may submit any objections to the Court and a hearing will then be held on the matter. The deadline for receipt of such objections is February 28, 2012. However, if there are no objections, *Amended Partial Decrees* will be issued.
