RE: Snake River Basin Adjudication (SRBA) Claim Nos. 43-00169C, 43-00171A and 43-00178J

Dear Claimants:

I am reviewing the Notices of Claim to a Water Right referenced above, and it appears that you are entitled to more water under these rights than what was claimed. Claim 43-00169C has a claimed diversion rate of 1.52 cfs, but when I proportioned this right out among the recorded places of use, my calculations indicate you are entitled to 1.53 cfs. Similarly, claim 43-00171A has a claimed diversion rate of 1.60 cfs, and my calculations indicate you are entitled to 1.64 cfs. The largest discrepancy is with claim 43-00178J. The claimed diversion rate is 5.00 cfs, and my calculations indicate you are entitled to 5.40 cfs.

I have prepared amended claims for these three rights and they are enclosed with this letter. If you agree that you are entitled to the larger diversion rates for these three rights, you may file the Amended Notices of Claim to a Water Right. Be sure to have your signature notarized, and return the amended claims to my attention at the address shown on this letterhead within 30 days.

If you have questions, please contact me at (208) 327-7939 or you may leave a message for me by calling the Adjudication Hotline at 1 (800) 451-4129.

Sincerely,

Carter Fritschle
Water Rights Supervisor
