Re: 94-9034 & 94-9036

Dear Mr. Caron:

We are returning your two Notice of Claims. The date of priority is listed as December 1, 2011. When a new diversion of surface water is started after May 20, 1971, an appropriation permit had to be obtained first. The date of priority is the date the water was first used regardless of who owned the property. If the priority dates of your claims are incorrect then you can correct the date and return the claims to our office. If the use of water was started after May 20, 1971, then an application for a permit to use the water needs to be filed.

Sincerely,
