RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 94-7811

Dear Claimant(s):

The Idaho Department of Water Resources (IDWR) is in the process of reviewing claims in your area. Initial review of the claim you filed indicates domestic use from a groundwater source and irrigation from a surface water source. In order to claim uses from different sources, separate claims will need to be filed.

You may amend the claim that you have already submitted to reflect the uses being claimed from the surface water source and then file an additional claim for the groundwater source with the appropriate filing fees.

If you have any questions or concerns, please do not hesitate to contact our office.

Sincerely,

Lori Harris
