RE: Water Right Case No. 39576, Subcase 75-14254

Dear Special Master Dolan:

Please find a copy of our partial decreed right #75-14254.

While we were reviewing all our water rights these last couple of months as our agreement with the City of Salmon was approaching a final conclusion we came across a clerical error on one of our other rights. I spoke with Monica Van Bussum and she advised me that I would need to write a letter to you explaining the clerical errors and that it shouldn't be a problem to get it corrected. The error is in the Purpose and Period of use. The Irrigation Storage should read 70AFY and the Irrigation from Storage should read 70 AFY instead of CFS.

Thank you for your time and attention to this matter. If you need something more please don't hesitate to call (208 -756-3932) and we will do our best to provide what is needed.

Sincerely, Myrtle Edwards
