Re: Motion to file late Notice of Claim 63-10086

Dear Claimant,

The Idaho Department of Water Resources (IDWR) has received a copy of the Motion to File Late Notice of Claim with the Snake River Basin Adjudication (SRBA) court.

Initial review does not indicate that a completed claim was submitted with along with the motion. Along with the motion you submitted, you need to submit a completed claim so the SRBA court knows what you are claiming as your water right.

For your convenience, I have enclosed a completed claim. Because 63-10086 is on the IDWR database, I just copied the information from the water right record to the claim so the enclosed claim reflects the same water right elements as was originally licensed.

Please look over the claim and initial any changes you wish to make. When satisfied, sign the claim and submit the original to the SRBA court and copies to the parties identified on the certificate of mailing (page 6 of the enclosed copy of the motion).

Please feel free to contact me with any questions.

Respectfully,

Craig L. Saxton
Water Rights Supervisor
