RE: Standard Form 5s for water rights 37-899B, 37-2507A (split into 37-22498, 37-22499 and 37-22638), 37-20427, 37-20429, 37-20431 and uncontested overlap 37-21268

Dear Clerk:

Enclosed for filing are Standard Form 5s (SF5s) for water rights 37-899B, 37-2507A (split into 37-22498, 37-22499 and 37-22638), 37-20427, 37-20429, 37-20431 and uncontested overlap 37-21268 (all claimed by Harry Rinker and /or Silver Sage). Please note that the SF5s for subcases 37-20427, 37-20429, 37-20431 and 37-21268 contain additional signature / recommendation pages signed by Mr. Hobdey. Rather than delay the filing of the SF5s due to his unavailability this week, Mr. Hobdey agreed to sign a separate copy of these SF5s which have been merged into our original SF5s.

The Rinker / Silver Sage subcases are set for status conference on January 25. Unrelated Rinker subcase 37-154B is also set for status conference at that same time, and remains unresolved. If you would please alert Special Master Bilyeu that the SF5s for the larger group of Rinker subcases has been filed, it would be greatly appreciated. Should you have any further questions regarding these subcases, please feel free to contact me at 208-287-4816. Thank you!

Sincerely,

A handwritten signature in black ink, appearing to read "Vicki Kelly".
