RE: Snake River Basin Adjudication (SRBA)

Dear Claimants:

I am reviewing the claims you filed in the SRBA. One of your claims for Cassia Creek water, 43-00218, was claimed with a priority date of April 30, 1882. However, when checking this date against the decree, I found the decreed priority date was April 1, 1882. Therefore, I have enclosed an amended claim for 43-00218 to change the priority date back to April 1, 1882. The amended claim also reflects a change in the claimed point of diversion from Section 1 to Section 12, where the water is actually diverted from Cassia Creek. Your other claims to Cassia Creek water, 43-00217, 43-00219 and 43-00220 will be recommended with the point of diversion in Section 12 as well. Please sign the amended claim, have your signature(s) notarized and return the claim to my attention at this office.

Additionally, claim 43-02249 for Raft River water is limited to the licensed amount of 200 acres. Since you are actually irrigating a total of 209 acres, I have enclosed a new claim to a water right from the Raft River for the additional nine acres of irrigation. If you wish to claim a Raft River water right for the additional nine acres, please sign the new claim, have your signature(s) notarized and return the claim to my attention at this office. You may retain the yellow copies for your records.

I have also enclosed two copies of a map depicting the area of your water rights. If you could place a circle on one of the maps at your point of diversion from the Raft River and return it with your claim it would be appreciated and facilitate the processing of your claim. You may retain the other copy for your records.

If you have any questions, you may contact me at (208) 327-7939.

Sincerely,

A handwritten signature in cursive script, reading "Carter Fritschle".
