RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 94-8932

Dear Claimant(s):

The Idaho Department of Water Resources (IDWR) is in the process of reviewing claims in your area. Initial review of the claim you filed indicates commercial storage use from a groundwater source and irrigation from a surface water source. In order to claim uses from different sources, separate claims will need to be filed.

You may amend the claim that you have already submitted to reflect the use being claimed from the groundwater water source and then file an additional claim for the use from the surface water source with the appropriate filing fees and evidence of the priority date being claimed.

If you have any questions or concerns, please do not hesitate to contact our office.

Sincerely,

Lori Harris
