RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Renumbered Notice of Claim

Dear Claimant:

The identification number of your adjudication claim has been changed from 95-1063 to 95-16416. Nothing else on your water right claim has been changed. Please use the new number in future inquiries or correspondence you may have with Idaho Department of Water Resources (IDWR).

Your claim was renumbered because another claim was filed in the Coeur d'Alene-Spokane River Basin Adjudication for water right 95-1063. Since that claim was received prior to your claim, IDWR will investigate both claims to determine whether you or the other claimant is entitled to water right 95-1063. When the investigation of all of the adjudication claims filed in Basin 95 is complete, the results of that investigation will be reported to the CSRBA Court in the form of a Director's Report. You will receive a copy of IDWR's recommendation for your claim.

I have enclosed a copy of your Notice of Claim which you may retain for your records.

Please do not hesitate to contact me by phone at (208) 287-4917 or you may send an email to Carter.Fritschle@idwr.idaho.gov if you have any questions or concerns.

Sincerely,

Carter Fritschle
Adjudication Section Manager
