RE: Snake River Basin Adjudication - SRBA
Idaho County - Claim Nos. A79-04019, A79-04064, A79-04065,
A79-13600 and A79-13601

Dear Mr. and Mrs. Johnson:

Thank you for resubmitting the five Notices to Claim for a Water Right in the SRBA. The claims you submitted did not have original signatures, so therefore I am sending you computer-generated claim forms for you to review. It would be helpful if you would review the non-irrigation uses and make sure the number and kind of livestock (such as cattle, sheep or horses) is accurately depicted. If you make any changes to the computer-generated forms please initial the changes. If the information on these forms matches what you wish to claim, please sign the claims in front of a Notary Public.

Also enclosed is Receipt #C032578 for \$178.00 which you may keep for your records. Because you originally submitted these claims in a timely manner there will be no late fee for filing at this time. However, it would be appreciated if you could return the signed computer-generated claims to my attention at this office within 30 days. Please contact me if you have any questions.

Sincerely,

Carter Fritschle

We are resubmitting the enclosed five (5) water rights as Mr. Fritschle advised in our telephone conversation on the 25th of April, '95. In July of '88 we had submitted these 5 claims plus 2 (two) others for a total of 7 (seven) claims. We had also enclosed a check for the total of \$235.50. Enclosed is a photo copy of two pages from our check book register showing when the check was written and when I deducted it from our totals. The 7 (seven) claims along with our check were returned to us without an explanation so we assumed it was not necessary for us to file them. Now we learn it is necessary - so by Mr. Fritschle's advice we are resubmitting them for your approval. Since 1988 we have discontinued the use of two wells so we will not file for them at this time. Enclosed are the original claims for 5 water rights, a photocopy of our check book register showing our '88 check, and a check for ~~\$178.00~~ \$178.00. (4 claims @ \$25 each and one claim for irrigation @ \$50 + \$1 per acre for 28 acres
