RE: Coeur D'Alene-Spokane River Basin Adjudication Claim Nos. 94-8781 & 94-9060

Terry,

Enclosed for your review and signature, is amended claim 94-8781 to reflect your domestic use from a groundwater source, and a new claim for your irrigation use from Montgomery Gulch Creek. Also enclosed you will find the pamphlet titled "Evidence of Priority". This pamphlet describes the types of evidence required and suggests which documents will fulfill proof of historic use of the water. If you can, please provide some proof of priority date that can support the historic use of the water to better assist us in recommending your water rights.

Please sign and return these claims in order for us to complete the review and processing of your claims. In addition, a \$51.00 filing fee is required for 94-9060. If you have any questions, please feel free to contact me at 208-287-4909.

Sincerely,

A handwritten signature in cursive script that reads "Lori Harris". The signature is written in dark ink and is positioned above the printed name and title.
