Re: 95-16408

We are returning your Notice of Claim. The date of priority needs to be listed in item #2. The date of priority is the date the water was first used regardless of who owned the property. If the residence is used the entire year then the dates in item#6 should be 1/1 to 12/31 and the standard amount for domestic use is 0.04 cfs. Please complete the date, make changes to item#6 and return the claim to our office.

Thank you,
