Re: 94-9072

Dear Mr. Myhre:

We are returning your Notice of Claim. The date of priority is listed as October 14, 1992. When a new diversion of surface water is started after May 20, 1971, an appropriation permit had to be obtained first. The date of priority is the date the water was first used regardless of who owned the property. If the priority date of your claim is incorrect then you can correct the date and return the claim to our office. You mention is item #5 that the pond was on the 1933 aerial photos. You could use that that as the priority date and we would appreciate a copy of the photo for documentation.

Sincerely,
