RE: Coeur D'Alene-Spokane River Basin Adjudication Claim No. 95-8642

Sherry,

Per our phone conversation, enclosed for your review and signature, is amended claim 95-8642. The original license included one acre of irrigation and fire protection in addition to domestic use. We recommend that you file this right as licensed, since it does appear that it is irrigated for one acre. An additional \$26.00 is required to file for the irrigation use.

Please sign and return this claim along with the additional \$26.00 fee in order for us to complete the review and processing of your claim. If you have any questions, please feel free to contact me at 208-287-4909.

Sincerely,

A handwritten signature in cursive script that reads "Lori Harris". The signature is written in dark ink and is positioned above the printed name and title.
