Attachment to W.R. 43-2224

As is authorized under SB 1065, and after conversations with the Director of IDWR, this claim is filed to represent the current water usage authorized by this licensed water right wherein waters are diverted from both surface and groundwater at any or all of the points of diversion as described above. This claim does not change the irrigated acres as is outlined in the license, but does include an additional point of diversion. This change to an additional point of diversion has been gradual, though sometimes erratic, over the years due to the increasing withdrawal of the supporting groundwaters to the Raft River in the area. This has led to the decline in the historic flow of the Raft River which has necessitated this change. The addition of a point of diversion does not expand or enlarge upon the irrigated acres which are authorized by the license, nor does it relinquish the right to the historic diversion of waters from the Raft River, when they are available. This change merely adds to the licensed right an additional point of diversion.

This claim represents a portion of W.R. 43-2224. The lands for which it was first licensed have been divide amongst different owners, thus the claimed portion of this right should be segregated from the rest of the right.

Dear Mr. Shaw:

Attached please find a copy of a REQUEST FOR EXTENSION OF TIME TO FILE ADJUDICATION CLAIM(S) in conjunction with the adjudication in Cassia County. I understand that such requests should be forwarded directly to your office rather than to the Southern Region.

Also attached please find nine completed NOTICE OF CLAIM TO A WATER RIGHT forms with appropriate filing fees. The completion of these claims has been delayed due to the change of ownership of some of the lands and the need for the division and segregation of the water rights. Further, the status of several of the previously held permits and licenses were in question and significant research was required through correspondence with Department personnel. It was determined that several permits had been cancelled. The completion of these claims has been diligently pursued, but the gathering of pertinent information took these additional three weeks beyond the filing deadline. We respectfully request that this after-the-fact extension be approved and these claims be accepted by the Department. If the extension is not approved, please contact me so that I might meet appropriate penalty requirements.

I sincerely appreciate your handling of this matter. If you need more information, please contact me.

Sincerely,

Roger C. Neddo

RE: Snake River Basin Adjudication

Dear Mr. & Mrs. Neddo:

Please find enclosed the REQUEST FOR EXTENSION OF TIME TO FILE ADJUDICATION CLAIMS which you recently submitted to the Department. Please note that the request was DENIED and that the fees submitted are not appropriate to cover the late fee penalty.

Since our office cannot accept the claims until the proper fee has been submitted please find enclosed your nine claims and checks as listed below:

<u>Claim Description</u>	<u>Check number</u>	<u>Check amt.</u>
Domestic well	1065	\$67.00
Irrig. well 43-2322	1062	\$130.00
Raft River & well 43-2224	1248	\$50.00
Irrig. well 43-4169	1063	\$210.00
Raft River	1066	\$50.00
Irrig. well	1064	\$150.00
Raft River & well 43-2223	1247	\$50.00
Irrig. well 43-2300	1250	\$50.00
Irrig. well 43-2303	1061	\$50.00

Since the claims are considered late the additional fee for each claim will be \$50.00. Please note that the Domestic well if the use is less than 13,000 gallons per day it could have been claimed on the short form and the fee would have been only \$25.00 instead of \$67.00 or \$75.00 including late fee instead of \$117.00. In returning claims please specify if use is more than 13,000 gpd.

If you have any questions please feel free to contact our office.

Sincerely

Allen Merritt, P.E.

RE: Snake River Basin Adjudication

Dear Mr. & Mrs. Neddo:

Please find enclosed the REQUEST FOR EXTENSION OF TIME TO FILE ADJUDICATION CLAIMS which you recently submitted to the Department. Please note that the request was DENIED and that the fees submitted are not appropriate to cover the late fee penalty.

Since our office cannot accept the claims until the proper fee has been submitted please find enclosed your nine claims and checks as listed below:

<u>Claim Description</u>	<u>Check number</u>	<u>Check amt.</u>
Domestic well	1065	\$67.00
Irrig. well 43-2322	1062	\$130.00
Raft River & well 43-2224	1248	\$50.00
Irrig. well 43-4169	1063	\$210.00
Raft River	1066	\$50.00
Irrig. well	1064	\$150.00
Raft River & well 43-2223	1247	\$50.00
Irrig. well 43-2300	1250	\$50.00
Irrig. well 43-2303	1061	\$50.00

Since the claims are considered late the additional fee for each claim will be \$50.00. Please note that the Domestic well if the use is less than 13,000 gallons per day it could have been claimed on the short form and the fee would have been only \$25.00 instead of \$67.00 or \$75.00 including late fee instead of \$117.00. In returning claims please specify if use is more than 13,000 gpd.

If you have any questions please feel free to contact our office.

Sincerely

Allen Merritt, P.E.
