St. Maries Id. 83861

In april of 1970 my father (Lloyd Gibson) and I Installed the water system that Mike & Jo allen and I presently use. This system starts at the point of diversion from a stream, on what was at that time the property of Walt and Maud Henderson (now Larry & Marge Bentcik) the water line then passes through Allens property and ends on my property. This system has been in constant use since May of 1970.
