Mr. Shaun M. Maxey
Senior Water Resource Agent
Idaho Department of Water Resources, Northern Region
7600 N Mineral DR Ste 100
Coeur d'Alene, ID 83815

Dear Mr. Maxey:

This letter provides the additional information you requested concerning my Claim 95-15514 for the Northern Idaho Adjudication (NIA). I have enclosed amended attachments for my claim and copies of photographs that show the pond, irrigation equipment, and livestock on my property. Please include this information as evidence for my Claim.

I built the pond on my property (Kootenai County tax parcel 53N03W-34-2900) and first used it for Stockwater, Diversion To Storage, Fire Protection Storage, Irrigation Storage, Recreation Storage, and Stockwater Storage prior to March 10, 2003. I bought the property in 1998 and the water right in 2003 and irrigated the property using stored water from the pond beginning in the 2003 Irrigation season.

The attached aerial photographs show the Pond on my property in 2005. I did not take the photographs but believe the handwritten dates and printed date showing when the photographs were developed are accurate. These photographs show the pond, irrigation equipment, and livestock on my property in 2005.

Please contact me at (208) 669.5925 if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Patrick M. McTaggart". The signature is stylized with a long horizontal line extending from the end of the name.
