MEMORANDUM

TO: FILES 43-02317/02320/02339/02423/02467/02510 & 04002

FROM: PAM SKAGGS²⁸/STATE OFFICE

SUBJECT: TRANSFER 5124

DATE: February 13, 1998

=====

Transfer 5124 changes the point of diversion and place of use under portions of the above referenced rights, splitting each right into Parts A and B. ✓

Right 43-02320 is from the system adjacent to the proposed new pivot and also supplied from the same well proposed under the transfer. Corners are being dried up to provide 40.9 acres to the new pivot. The remaining rights were already combined and used on a 1600 acre parcel of land. 85.5 acres will be removed from this system around the pivots providing a proportionate share of each right as identified on the approval. ✓

Clarification of ownership under Right 43-02320 has been requested prior to forwarding the transfer for approval. The Cassia County assessor's office identifies J H & T Investment Limited as the current land owner of the transferred acres in the E1/2, S35, T11S, R26E. Region staff has identified family members as belonging to this organization, but no authorization of evidence that the applicant's have the authority to transfer a portion of the right has been documented in the file. The applicant will provide supporting documents prior to final approval. (Received 3-3-98) ✓

Recommended conditions include measuring device, future annual reporting, irrigation overlap, permissible place of use, combined limits, non-confirmation of claimed right and standard transfer conditions.
