Description

We will be building a home in the future, however currently we are set up for 2 trailers. Our property also comes with a seven way shared lot on the River, for River access. I do not know if we are suppose to claim water rights for that shared lot as well. If more info on that lot is necessary, please contact me at (509)536-4347. Ask for David or Tammy Strange.

At present time we use the well water for watering grass, and filling the trailer with water, however this will change once we build.
